

Pointed Comments Supply List

Pointed Comments Supply List

Sewing Supplies:

- [] Sewing Machine (don't forget your power cord and foot pedal)
- [] Thread
- [] Scissors
- [] Rotary Cutter
- [] Rotary Mat (18" x 24" or larger)
- [] Rotary Ruler (suggest 6" x 24" or longer)
- [] Chalk Marker (Clover chalko liner works great) or other fabric marking tool
- [] Best Press

Some General Notes:

- ◆ This technique works best with a darker background. Due to the construction technique used, if your background is significantly lighter than your Fabrics A, B and C, you will get some shadowing.
- ◆ This technique yields inexact blocks – that's the fun of it!
- ◆ Warning: This technique may be addictive!

Before session, please:

- Cut all fabrics per the pattern. Label your cuts by size for quick piecing.
- ***Have a practice set of fabrics – cut:***
 - ***Practice Diamond: Cut (1) 3 ½" x 18 ½" rectangle (Diamond 3)***
 - ***Practice Background: Cut (4) 3" x 11 ½" rectangles (3" diamond backgrounds)***

Please note that we will be working on the table runner in class.
However, we WILL a practice diamond to familiarize you with the technique.
