

August 2006 Tiny Treat – Filled Jar

Background (Top and Corners) – Beige on Beige
Cut 6 – 1 ½ inch squares

Jar Lid – Brown, Gold or Gray
Cut 1 – 1 ½ x 3 ½ inch rectangle

Jar Contents – Anything that you might find in a jar
(Buttons, fruits, vegetables, insects, etc.)
Cut 1 – 5 ½ x 7 ½ inch rectangle

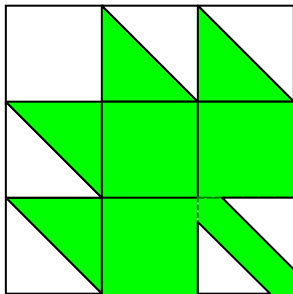

To Assemble – Use 4 of the 1 ½ inch background squares for the corners of the jar. (Snowball technique – draw a line from corner to corner on the 4 squares. Using the line as a guide – stitch with the side of the needle touching the outside edge of the line. Cut the excess fabric leaving a ¼ inch seam.)

Sew a 1 ½ inch background square to each side of the jar lid. Connect the lid to the jar as illustrated.

Quilting "For the Cure"

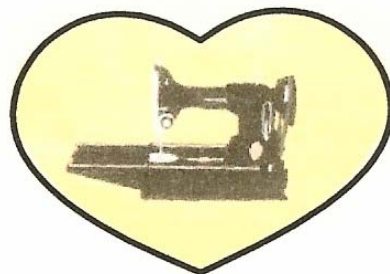

No doubt you have seen the ads in current quilting magazines for the "Quilt Pink" program. This program, sponsored by several local quilt shops, invites quilters to make a block to support breast cancer research. Completed quilts will be auctioned online with proceeds to benefit the Susan G. Komen Breast Cancer Foundation.

The Greater Lansing Affiliate of the Komen Foundation would like to encourage quilters to participate in the national "Quilt Pink" program, and also we would like to invite you to get involved in a quilt raffle that will benefit the local affiliate. We are looking for a few quilters to help make one or more raffle quilts. We particularly need the help of one or more **machine quilters** to help finish the quilts. We will be making quilts this fall, with the raffle tickets to be sold in the winter and spring months for a Mother's Day raffle drawing.

To participate, please contact Deb Martens.

Funds donated to the Susan G. Komen Breast Cancer Foundation support the foundation's mission to eradicate breast cancer as a life-threatening disease, by funding research, education, screening, and treatment. The Greater Lansing Affiliate of the Susan G. Komen Breast Cancer Foundation grants funds to several local organizations to fund screening mammograms for uninsured/underinsured women and other at-risk populations, and to fund breast health educational outreach efforts. We contribute annually to the national Komen research fund, one of the largest private funders of cutting-edge breast cancer research. For more information, see www.komen.org.
