PRESIDENT'S MESSAGE

Welcome to the CCQG website! If you haven't yet taken a look, please do so. It's full of info and inspiration.

We are absolutely a great community to join up with if you are a quilter...there is so much support here for everyone from novice to experienced, and even professionals! And there are members from every demographic, which is a priority for myself especially. Feeling uncertain about what a quilt guild is? Well, ours is a community of quilters of all experience levels, who gather once a month for friendship, learning, community service activities, and fun! There are a lot of member-driven 'small groups' and volunteer opportunities to get involved with (if you choose to) all year 'round. We love to celebrate, whether it be individual accomplishments or larger group efforts.

Charitable projects large and small are on-going. Sharing of skills and inspirations? Heck yes!

Personally? My favorite Guild activity each month is our member 'Show and Tell', especially the 'Tell' part where we get to know each other through our project choices and inspiration, our construction struggles along the way, the intended recipient...even if it's for yourself! I also love each meeting's program, ranging from a wide variety of trunk shows, lectures, learning or re-visiting sewing skills...it is a bustling 2 hour experience every month!

If you read my column each newsletter, you will be congratulating me for starting AND finishing that baby quilt for one of my elderly father's daily helpers. It's a big deal, believe me! Christmas gifting is just a few kitchen items, no worries there.

Goals for 2024? I just want my sewing to be enjoyable and relaxing...no deadlines, no promised gifts large or small. Me, my fabric addiction, and exploring some techniques that I have been hesitant to try, like making friends with my serger, and some special stitches and tricks my Pfaff can evidently do. It seems another goal is to be brave, which I am sure my Guild friends will support because that's what we do!

Please take a few minutes to browse through our website...we would love to see you at our meetings. If you aren't a quilter yet, well what are you waiting for? You don't even need a sewing machine, our ancestors didn't have one!

Keep stitching my friends!

PRESIDENT'S BLOCKS

Instructions are available on the Guild website under Activities. Printed instructions are available at meetings on the Vice-President's table. Below is Lise's choice—A Friendship Star. A nice, easy block. (But funny how the easy ones sometimes give us the most grief!)

When visiting our advertisers, especially those outside of our area, let them know you're a Guild member and that you read our newsletter. This lets them know that their advertising dollars are well spent—and you might get a discount too.

Total members as of December 1st is 121.

FAT CHANCES

The Fat Chance drawing is an opportunity to win fat quarters of fabric for your stash. Check the theme of the month, bring one fat quarter (18" x 22") to that meeting, and enter your name in the drawing for each 1/4 you bring. Good luck!

DECEMBER—Food

JANUARY—Green

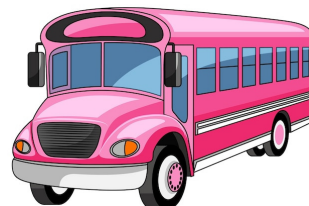

FEBRUARY—Orange or Yellow

By the way, you don't have to buy fat quarters to play. You can cut 18x22" FQs from your stash.

NAMETAGS ENCOURAGED

We no longer need to use masks, but nametags are still a good idea at meetings. Now that we can see our faces again, we can put names to those faces! Stick-on tags are available at the sign-in desk.

A Shipshewana bus trip is coming up. Contact Sandy Guild for info.
